

## Welcome to the new clean!

All of our products are color-safe, and free from nasties like synthetic fragrances, and filler detergents.

They are also quite concentrated - please follow the measuring guidelines below.

## Recommendations for Stain Removal

<i>Simple Stains</i>	Pre-treat with <b>Laundry Bar</b> , or <b>Stain Remover</b> before adding to your wash..
<i>Tricky Stains</i>	<p>Treat it immediately!</p> <p>Keep the stain wet and apply <b>Grounded Laundry Bar</b>, or even some <b>Grounded Spray-Deep</b> to the stain so that it doesn't "set".</p> <p>Pre-soak your extra stained items prior to washing.</p> <ol style="list-style-type: none"> <li>1. Fill basin with water (~10 liters)</li> <li>2. Add 1 liter of <b>Grounded Brightening</b>.</li> <li>3. Add clothes.</li> <li>4. Soak for 1 hour, or overnight if seriously soiled.</li> <li>5. Dispose of water. Wring clothes.</li> <li>6. Spot treat additional stains with <b>Grounded Laundry Bar</b>.</li> <li>7. Wash clothes in a machine.</li> </ol> <p><i>Safety:</i> When using Brightening, we recommend wearing gloves if hands are immersed.</p>
<i>Specific Stains</i>	<p>We love the advice of <a href="#">Wellness Mama</a> for natural living and cleaning. We've adapted her advice using Grounded products below.</p> <p><u>Tea or Coffee Stains:</u> Immediately pour boiling water over the stain until it is gone, or if it is already set, scrub with <b>Laundry Bar</b>, then wash as normal.</p> <p><u>Grass Stains:</u> Soak in <b>Brightening</b> for 30 minutes. Wash with <b>Laundry Bar</b> in cold water.</p> <p><u>Mud Stains:</u> Let dry and brush off what you can, then soak with <b>Laundry Powder</b> or spot treat with <b>Laundry Bar</b>.</p> <p><u>Tomato-Based Stains:</u> Treat with white vinegar directly on the stain and wash immediately, or soak in <b>Laundry Powder</b> and water.</p> <p><u>Dingy Whites or Underarm Deodorant Stains:</u> Soak the stain directly in a mix of 1L <b>Grounded Brightening</b> and 3L water for 30 minutes. For really tough yellow stains, make a paste of <b>Grounded Brightening</b>, baking soda, and water, agitate into the stain. Leave on for 5 minutes, then wash.</p> <p><u>Grease and Oil Stains:</u> spot treat the stain with a <b>Laundry Bar</b>, or sprinkle with some <b>Laundry Powder</b> and water then wash with warm water.</p> <p><u>Vomit, Urine, Poop, Blood, Egg, Gelatin, Glue, or Other Protein-Based Stains:</u> DO NOT WASH IN WARM WATER! This will set in the smell. Soak in cool water and then wash with an added mixture of 120ml <b>Grounded Brightening</b> and ~100g (½ cup) baking soda in the washing machine.</p>
